

Annual Subscription Note:

Members joining **before** 30th September in any year and who have paid an annual subscription on election, will be liable to pay an annual subscription on 1st April in each subsequent year.

Members joining **on or after** 30th September in any year and who have paid an annual subscription on election, will have the subscription due the following 1st April waived. Thereafter the subscription will become due, annually, on 1st April in each subsequent year.

All applications will be considered by the HEA Executive Committee, to avoid any potential conflict of interest.

If an applicant is new to the show circuit, and largely unknown to the Executive Committee, a probationary period may be deemed necessary to ensure the applicant is willing to meet the criteria of membership, as laid out in the Code of Conduct and Rules documents, which the applicant will receive in their Welcome Pack – see note below.

All benefits of membership will be available during the probationary period except for the “Buy With Confidence” and “From My Nursery to Your Garden” initiatives. These schemes have their own criteria, which need to be met as part of a separate approval process before the applicant can display the appropriate signage. Details and application forms can be found in the Welcome Pack.

A Welcome Pack will be sent to you following a successful application.

It will include a sign for your exhibit to inform visitors, organisers and fellow members that you are now a member of the Horticultural Exhibitors Association. It will also feature the latest reports published by the HEA together with essential information about your membership.
