

The HEA are here to help
and support you:

Improve your influence:

- over the direction of the shows you attend/organise
- on the future of the horticultural exhibiting industry

Would you like to be able to strengthen your hand when applying for shows?

Build relationships

- with show organisers
- with fellow exhibitors
- arbitrate in disputes and find solutions to wider exhibiting issues

Would you like to be part of a preferred network of horticultural exhibitors, eligible for subsidised show rates?

HEA network

- Would you like access to over 130 HEA accredited horticultural exhibitors for your event?
- Would you like over 130 fellow exhibitors in your corner?

Why not add your experience, and voice, to the HEA and help shape the future for UK horticultural shows.

Dedicated to the pursuit of
excellence in exhibiting horticulture
